Natural Rejuvenation M E D S P A

Skin Care Expert and Aesthetic Director Noemi Erickson and her staff of Doctors, Nurses, and Aestheticians at Natural Rejuvenation MedSpa offer exceptional service and innovative technology and approaches to

capitalize on the body's ability to heal and repair itself. Over the last year Natural Rejuvenation MedSpa has tripled their business and expanded it's staff to 10, including 4 doctors, they have added numerous new cutting edge services, and they are in the process of opening a second location.

Natural Rejuvenation sets themselves apart from their competition by using a natural cutting edge approach, breakthrough technology, and stem cell

and growth factor therapy to treat patients' skin. The staff work under the supervision of a medical doctor and a team of medical providers which allows them to perform more intense and effective treatments.

Natural Rejuvenation MedSpa offers numerous services for women and men to help them feel and look their best by providing full circle physical improvements from Anti-Aging, Face, Neck & Eye Lifts and Peels, Fat Removal & Body Contouring, Skin Tag, Wart & Spider Vein Removal, Stretch Mark & Scar Removal, and Hair Restoration.

Outside of her business, family means everything to Noemi. She has three children; Janina, John-Mark, and

Jonathan, and is also a proud grandma to her 1 year old grandson Daniel. Noemi is also very thankful for her husband Scott, and all the love and support he has brought into her life.

Together, Noemi and her team are committed to helping you achieve your skincare goals so you can feel confident in your natural beauty. For more information go to naturalrejuvenationmedspa.com or call (425)281-4325
